## What Businesses Say

I grew up reading the Leader living in the neighborhood. Since our business has been operating in this area for so long, and the neighborhood has changed so much over the years, we began advertising a few years back to introduce ourselves to the new neighbors that may not know about us.

**Denie Lunsmann**  
 Buffaloe Floor Covering, Inc.

We have been advertising in THE LEADER since 1997 almost exclusively in the coupon section. The coupon section allows us to offer the benefits of Chiropractic care at an affordable price.

**Dr. Hudson**  
 Chiropractor

My desire is to work in, serve, and be a part of the local community and The Leader being like-minded is a great partner in helping me to achieve my long term goal. They are the glue that brings us all together.

**Phyllis Oeser**  
 Attorney at Law

I advertise in The Leader because it has always been the local neighborhood paper everyone reads. I read it growing up in the area, looking to see if I recognize people or discover something about a happening I did not know. When I opened my law practice after working for another firm for a few years, I knew I needed to tell everyone in the area I was here. And I continue to run ads today.

**Wendy L. Prater**  
 Attorney at Law
